

**BOARD OF ENVIRONMENTAL REVIEW  
AGENDA ITEM  
EXECUTIVE SUMMARY FOR BATTELLE 12D REPORT**

**AGENDA # II.C**

**AGENDA ITEM SUMMARY**

This agenda item is a brief update on results of groundwater monitoring required on private land below an ash and scrubber waste disposal pond for the Colstrip Steam Electric Generating Station. Generating Units 3 and 4 were certified under the Major Facility Siting Act. Monitoring is required as a result of a settlement of a suit regarding condition 12d of the certificate.

**LIST OF AFFECTED RULES**
